Prayer for the End of COVID-19

Merciful God, keep us under the your protection. Lord, sustain and support the anxious, be with those who care for the sick, and lift up all who are brought low.

We come before you asking for quick control of COVID-19, and we pray for effective medicines to combat the virus. We lift up our leaders so that they will make wise decisions for the good of the people. Look upon us in your mercy and forgive our failings. We ask this through our Lord, Jesus Christ, Amen.
