Coming Back to Worship

If you answer yes to any of the questions below, we strongly encourage you to worship with us online or on WAPT.

- Is anyone showing any flu-like symptoms?
- Has anyone had a fever of 99° or higher in the past 14 days?
- Has anyone been exposed to someone who has tested positive for COVID-19?
- Are there any medical reasons why I believe anyone in my group shouldn't be around others?

Galloway's Covid Response Team encourages you to decide when to come back to church. Those over 65 should think carefully and weigh the inherent risks. It may be wiser for you to continue to worship with us on WAPT, or online with Galloway's livestream
